1. We hereby declare that the manuscript has never been published before (in part or as a whole), nor has it ever been sent to be published elsewhere.
2. We hereby declare that all graphs, schemes and pictures used in this paper are either of our authorship, or we obtained their authors' consent to have them published in our paper.
3. We hereby give consent for our Work to be published on the Internet by the Faculty of Economics at Poznań University of Economics and Business, hereinafter referred to as WE UEP, the Publisher of the science journal entitled `Research Papers in Economics and Finance`.
4. We grant WE UEP exclusive, free of charge, temporally and territorially unlimited license to multiply the Work with the use of digital technology and make it publicly available, so as anyone shall be able to use it at a place and time suitable for them. I furthermore declare that I grant all interested parties the Creative Commons

Attribution license (CC BY-NC) published by Creative Commons. This point means that everyone shall be able to use the Work not only within the scope specified in the act on limitations and exceptions to copyright, but they shall also be able to distribute it in the original version or its analysis, for any purpose, with the reservation that personal copyright laws are observed, especially with respect to keeping the information about the author.

5. WE UEP may perform its powers through the infrastructure of digital repositories, databases such as BazEkon, CEJSH, C.E.E.O.L. and other selected infrastructures. The license encompasses the right to make modifications in the Work, without interfering with its subject matter, which are necessary due to the technical conditions of the infrastructure used by WE UEP.
6. We declare that using the Work by WE UEP within the scope of the granted license shall not constitute violation of the rights of the third parties, and especially that we possess the author's property rights within the scope necessary to grant a product licence (the author's economic rights have not been transferred to other entities or I have proper agreements from these entities). In case the third parties shall have claims associated with the Work, We commit ourselves to take adequate action in order to free WE UEP from any possible liability.
7. Conflict of interests. We hereby declare that we are not financially bound to or dependent on, any organisation or any party having a direct financial contribution to the object of the study or materials tested in a given study (e.g. by employment, consultancy, holding of shares, fees), except for those mentioned in the attachment. We understand that every subsidy for studies or the project has to be listed in a footnote of the first page of the paper.
8. We give the above declaration acting for and on our own behalf.

This point means that the person who signs this declaration represents themselves, and the license is granted for their own rights.
